TO : ODDI

DATE: 8 April 1952

FROM : Administrative Assistant to AD/RR

SUBJECT: Peripheral Reporting

1. In connection with your telephone request of yesterday, I have inquired around and can find no sign of active participation by ORR in the Peripheral Reporting program since the establishment of ORR.

2. The Department of State has assigned officers to peripheral posts and has requested the EIC Subcommittee on Requirements and Facilities for Collation to prepare economic requirements to be sent to these posts. Copies of minutes of meetings of this Subcommittee at which the question was discussed and a paper presented to the Subcommittee by State setting forth the Economic Reporting Capabilities of the Peripheral Reporting Units are attached.

3. The old ORE Peripheral Reporting file which I mentioned to you yesterday seems to have been caught in the "clean-up" and reshuffle of old file material and I am not able, at the moment, to discern its whereabouts.
